## **WSB Radio Partners with Angels Among Us Pet Rescue**

ATLANTA – WSB radio created a formal partnership with Angels Among Us Pet Rescue, Inc. that allows for complimentary Public Service Announcements rotating every four (4) hours on their various radio stations. That would include News 95.5 and AM 750. In addition, Angels Among Us Pet Rescue dogs and cats will be featured weekly on the WSB radio website (<http://www.wsbradio.com/s/angels-among-us/>) and radio personalities will make appearances at fundraiser and adoption events throughout the year.

“This is a great opportunity to gain even more public exposure in our efforts to Rescue One Until There Are None,” expressed Angels Among Us Pet Rescue Co-Founder, Luann Farrell.

Founded in 2009, Angels Among Us Pet Rescue Inc., a 501(c)(3) organization, is now the largest all volunteer, foster-based pet rescue in the Southeastern US. Currently there are 350 active fosters who parent the 500 or more dogs and cats in the program. The organization’s pet adoption rate is more than 40 per week. “The need to rescue pets from high kill shelters in Georgia is astronomical,” Ms. Farrell said. “Our ability to save more lives is limited only in our ability to find foster homes to care for them so the additional public service announcements from WSB will be a perfect partnership!”
